D. Stainless-Steel Mini Electric Inflator for Auto, Bike & Inflatables

Our portable, rechargeable inflator is ideal for auto and bicycle tires, and home accessory items (i.e. rafts, balls, etc.). This quality built air inflator features a durable stainless-steel housing with self-storing air hose, and dual LED lights to illuminate your work area. Easy to use - just set the desired pressure (maximum of 150 PSI) and the inflator automatically shuts off when the pre-set pressure is reached. A backlit LCD display makes it easy to read PSI, BAR, KPA and KG/cm. The rechargeable 15V Li-ion battery will fill up to four auto tires on a single charge. Includes AC/DC charger, velour storage pouch to safely store the unit, French bicycle valve, ball inflation needle and plastic inflation nozzle. Each unit includes your one-color logo imprint on the side of the stainless housing, \$40 setup. Imprint can also be etched for a more permanent marking for the additional cost of \$2.50 each plus a \$50 setup. Gift boxed. **#AD-1085**

A. 2-Person Camping Tent

Our 2-Person Camping Tent is made of weatherproof 190T polyester with 210D Oxford floor and features two large screen door openings with full-length zippers and outer nylon weather door closures. Its large rain cap cover prevents water from entering the top screen opening while allowing good air flow. The fiberglass frame assembles easily with aluminum connectors and measures 80" L x 50" W x 48" H when deployed. Each tent case includes a one-color logo imprint. \$40 setup charge. When packed up in its storage case, it measures just 25" L x 5 3/4" W x 5" H and weighs 4 lbs. **#AD-2890**

C. 5-in-1 Survival Multi-Tool

Made of heavy-duty forged steel, this handy 5-in-1 survival tool kit is ideal for use while camping, hiking, backpacking, fishing, hunting, gardening or any outside activity. Tools are interchangeable and securely and individually mount to the sturdy rubber anti-slip grip handle with a single pin connection. Assembly of the various implements with the tool grip creates a shovel with scraper, axe with hammer, a pick, and a wood saw. The end of the handle also features a handy liquid filled compass to help find your way. All components of the survival tool fit securely into a single black nylon storage pouch with belt-loop attachment. Each includes a one-color logo imprint on the shaft of the tool handle. \$40 setup charge. Optional one-color pouch imprint is available for \$1.50 each with additional \$40 setup charge. Folds upward for easy and dry entry into vehicle when raining

A. 48" Arc Auto Open Upside-Down Inverted Umbrella

This innovative, upside-down 48" arc umbrella entertains as it turns inside-out when auto-opened at the press of a button. Practical design makes it easier to open and close during a downpour, preventing water from drenching your arm and shoulder while you enter or exit your car. The rain-soaked side of the umbrella closes inward and water is trapped inside the umbrella top until set down to drain and dry. This eight-panel umbrella is quality-constructed of soft pongee fabric and polypropylene ribs, making it windproof and virtually indestructible. Price includes a one-color, one-location imprint on the top, and additional imprint colors or logo locations can be added to additional panels on the top and inside panel. Individually gift-boxed. \$40 setup. **#AD-2804**

A. Smartphone UV-C Sanitizer with Wireless Charger

Sanitize and charge your phone easily with this convenient wireless charging station which can sanitize and sterilize the majority of phones and other small items. Our sanitizer features two modes of UV-C cleaning: 90 Second Fast Sanitize or 5 minute Deep Sanitize. When Power button on top of the unit is pressed once, its LED turns blue which initiates the Fast Sanitize mode for 90 seconds of cleaning. If the Power button is pressed twice, it turns green for 5 minutes of Deep Sanitized cleaning. The oversized sterilizing chamber fits larger smart phones, sunglasses/eyeglasses, CPAP masks, keys, no-touch tools, credit cards, smaller remotes and other compact daily use items. Simply place your item in the chamber and close the lid allowing the UV-C lights to kill 99.99% of all pathogens during the 5 minute deep clean cycle. The sanitizing UV-C lights stop automatically at the end of the cleaning cycle or when the lid is opened. Units feature a wireless charger on the top cover of the sanitizing unit so you can quickly charge your phone and hear it when it rings. Power Indicator LED on the top case cover is red when unit is on and it quickly turns blue when a wireless phone is placed on the cover of the unit to charge. Each unit includes a 39" USB/Type C Charging cable and your one color logo on the charging lid. Gift boxed. \$40 setup. For UV 4-color process imprinted logo, add \$1.25 each plus a \$50 setup charge. **#AD-9092**
